Returning Library Books KS2

We are having a big sort out in the KS2 library and need all library books for children in Year 3 upwards returned to school by next **Monday 10th February** please. Thank you.

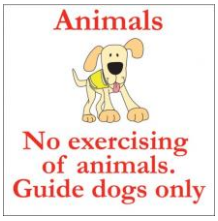
Bikes and Scooters

This week, **all children** have been reminded that if they bike or scoot to school, they need to dismount before the main gate to the car park. This is a very busy area during drop off and pick up times and we ask that all children walk their bikes and scooters around the designated pathways please as we do not want any accidents.

O2 – Choir

Once again, our school will be represented at the O2 Young Voices concert today. We are very proud of them all and can't wait for them to perform for us in an assembly soon so that we can all enjoy some of their songs.

Reminder – Dog Free Zone



With the exception of Dash, the school dog and any Guide Dogs the Red Oaks campus is a 'Dog Free' zone. Please leave any dogs securely on the far side of the main gate whilst collecting your children, this includes collecting from after school clubs as well. Your cooperation with this is appreciated.

Eco-club

A big well done to Eco clubs continued efforts as last week we received our Bronze Award! We are continuing to work towards our Gold Award with lots of great ideas coming up soon. Keep your eyes peeled!

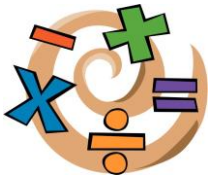
SATS Meeting Year 6 Parents

Just a reminder that the meeting for Year 6 parents will be held next Wednesday 12th February at 3.15pm in the school hall.

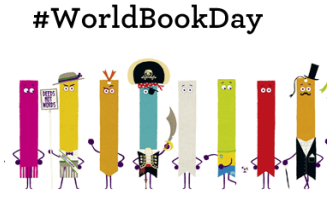
PGL Y5 Parents Meeting

This meeting will be held tomorrow, Thursday 6th February, at 3.15pm in the hall. Teachers will be available to answer any questions that parents may have.

Online Maths Resources



There are lots of online resources on our website to be found within our Maths page which parents will find useful for all ages and abilities.



World Book Day

Thursday 5th March is World Book day! The children are invited to dress up as their favourite book character on this day, bringing their book along with them. There will be lots of different activities throughout the day in classes. We look forward to seeing the children in all of their brilliant costumes.

No Nuts

We politely request that no nuts are brought into school in lunch boxes as we do have children with severe allergies that can be life threatening. This includes peanut butter which we do not allow in sandwiches. Thank you for your help.

Full Time Nursery pupils (30 Hours only)
Our nursery is taking part in the NAP SACC UK research study. This is a national research study which is looking at ways to support nurseries in the work they do to support children's health. This study will test a programme from the United States, called 'NAP SACC'.

If your child is aged 3 years or older and is attending the nursery for 30 hours per week during term time you will receive an invitation for them to take part. A separate email giving more details has been sent and an information pack should have been received from Nursery this week.

Red Oaks Primary School

Nursery

Aspire, Achieve, Grow

- Part of the Red Oaks wider school community
- Qualified Teachers
- Ofsted 'Good' rating (November 2017)
- Forest Schools and Welly Walks
- Excellent outdoor provision
- Highly experienced SENDCO (Special Educational Needs & Disabilities Co-ordinator)
- Excellent transition to Red Oaks Reception year (although Nursery space does not guarantee a place)
- Bags of fun!!

"Red Oaks is a highly inclusive school where pupils with a wide range of needs are fully integrated into school life. This is appreciated by pupils and parents alike and, during our visit, it was clear that inclusion is seen as the norm."

Ofsted November 2017

The vast majority of parents who completed the online survey would recommend the school to other parents. One parent, summing up the view of many, wrote 'Red Oaks is a school where every child is treated equally. They go the extra mile to include parents with children's learning and push the child to achieve their very best'". Ofsted November 2017

Are you entitled to
30 hours free provision?
