

Beat the Street

We will be taking part in Beat the Street again this year. The competition starts on Thursday 26th September and runs until Wednesday 6th November. Last year "Beat the Street" was a fantastic success in Swindon with the town walking to the moon and back in 6 weeks. It is fun and free! Walking and cycling game materials will be delivered in school shortly so look out for them coming home soon!

Values

In our values assemblies this term we will be considering the words 'Aspire, Achieve and Grow' and thinking about what this means to us. We will be learning about people who have inspired us and we are encouraging children to tell us about this on the website <https://www.redoaks.org.uk/values.php>

PE kits

As term starts we have had a number of children who are forgetting PE kit. Although parents are informed if this is the case, children are reminded that kit needs to be in school all week. There are planned PE slots but this is sometimes subject to change or additions. Children cannot take part in school uniform for health and safety reasons and this subject is a compulsory part of the curriculum so we recommend that PE kit is kept in school at all times and not taken home daily in bags. **Please ensure that ALL uniform is clearly marked with your child's name, including their shoes, as this will enable the quick return of any mislaid items.**

Mobile phones

For safeguarding purposes, mobile phones should not be in use on the school playground by children or adults please. Phones are also not permitted at any point in the school building except school performances and events where photos can be taken of your own children as long as they are not shared on social media. Thank you.

Flu Immunisations

Representatives from Virgin Care have attended the Parent Welcome meetings. Immunisations are due to take place on Monday 25th November. If you were unable to attend the meetings or have any queries, questions or need help with online consent please contact them directly on 0300 247 0082. **Information and the link for consent will follow later this week.**

Rotary's Young Photographer Competition

After last year's success, we are excited to be participating in Rotary's Young Photographer Competition again. To enter, you need to submit 3 photographs that fit this year's theme: 'Through my eyes' by Monday 2nd December. For more information, please see the attached information pack. Happy snapping!

Car Park

We know that the car park is always very busy at drop off and pick up times. We run a 'Kiss and Drop' service in the layby at the top end of the car park. Please always park considerately and do not block other cars. We ask politely that **ONLY** vehicles with disabled badges park in the disabled bays as we have children and parents with genuine need. Just as a clarification to new parents and a reminder to our existing parents - visitor/parent parking is **ONLY** as you drive into the carpark

on the right hand side before the barriers - any parking after the Kiss & Drop area is for staff only. Cars will not be permitted to park or stop outside a marked bay. Pick up and drop off areas eg. Kiss and Drop and the Coach bay are specifically for that, they are not waiting spaces.

The visitor and parent pick up/drop off section has in excess of 100 spaces and should be more than sufficient to remove the need to stop anywhere else. We are a community school and the majority of our pupils are from within a 1 mile radius of the schools. The schools are served by good walking/footpath links and we would actively encourage you to consider if there is a need to drive at all. Your help and support is much appreciated, this is for the safety and wellbeing of your children.

Aldi Stickers

We are collecting the 'Get Set eat to fresh' stickers from Aldi this promotion will be running from 6th September to 3rd November - if you shop in Aldi please send in the stickers with your children. Many thanks.

Eco Schools

Our new Eco Club are excited to announce we have registered for the Eco Schools programme. We will be working together to reduce our environmental impact and educate each other about looking after our planet. Look out for information, updates and challenges in the near future as we work towards achieving our Green Flag status.

THEME – ‘Through My Eyes’

Introduction

The Young Photographer Competition is a well-established and successful competition organised and promoted by Rotary International in Great Britain and Ireland (RotaryGBI).

There are three stages to the competition, each designed to support and encourage the development of photographic skills. Some stages may have more than one round.

Aims and Objectives

The competition aims to encourage young people to:

- experiment with photography
- use digital and/or traditional methods of photography
- demonstrate interpretation of the topic
- express ideas through the medium of photography

Who can take part?

The competition is open to all schools and college communities and those who are home educated, along with any other young peoples' community organisations, for example, community RotaKids, community Interact, Scout Groups, Girl Guides.

There are three age groups:

Junior:	7 to 10 years old
Intermediate:	11 to 13 years old
Senior:	14 to 17 years old

Entrants must not be over the upper age parameter for each group on 31 August 2019.

With the age qualifying date of 31st August 2019, it should be noted that some junior entrants may be 11, intermediate entrants may be 14 and some senior entrants may be 18 at the time of some or all the stage competitions i.e. a competitor who may be 17 on 31st August but turns 18 on 1st September is allowed to enter. **Competitors must include their age on the application form.**

Students should enter the competition organised by the local Rotary club through their respective group, as detailed above.

Competitors, schools, colleges, and organisations may participate in a competition held in a Rotary club/district outside of their geographical boundary but may compete in only one club/district event.

The Three Stages of the Competition

Local Heats

These are organised by local Rotary clubs between September and December. The winners of each age group are entered into a district competition.

Local Rotary Clubs can be found by using the club finder facility in the top left-hand corner of the Home Page of the Rotary International in Great Britain and Ireland website www.rotarygbi.org.

District Competitions

These are organised by Rotary between January and February. The winners of each age group are entered into the national final.

National Final

This is organised by Rotary. One entry per age group from each district may be submitted by **Saturday, 28th March 2020** to the organiser, Michael Duke young-photographer@rotarygbi.org

The dates for local heats and district competitions will be determined locally. Entrants should check dates with their local Rotary club in the first instance.

Competition Guidelines

Task

To produce a portfolio of three photographs based upon the theme, '**Through My Eyes**' in colour or black and white on photographic paper. The prints must be submitted individually. Each print, including any mount should be no larger than A4 size. Mobile Phones may be used in addition to cameras.

No actual examples will be shown here as it will be up to the individual competitors to show their interpretation of the chosen topic.

District competition winners, additionally, will be required to provide a digital copy in jpg format and ideally 5MB for an A4 sized print, on disc (CD-R) or memory stick, as part of the national final submission. Please ensure every photograph, disc or memory stick submitted is clearly labelled with the name of the entrant.

To accompany the portfolio, each entrant must provide a brief sentence describing the relationship of each photograph to the theme.

Please Note: Photographs which incorporate images of people under 18 years old must be accompanied by written permission from the parent, guardian, or carer.

Entries should be sent to the stage organiser by the closing date.

Photographs will not be returned unless specifically requested, but winners' photographs will be retained for display at the [Volunteer Expo](#) at the beginning of May 2020.

Judges

Persons with appropriate skills, appointed by Rotary, will apply the judging criteria below.

Judging Criteria

Judges will consider technical merit; content and composition; imagination and style.

Only in exceptional circumstances and at the sole discretion of the competition organiser, will correspondence or discussions be entered into following the competition.

Prizes

At all stages of the competition, competitors will receive a certificate of participation. The national winners will be given an opportunity to participate in a vocational experience with a professional photographer.

How to enter

To enter a local heat, contact your local Rotary club which can be found by visiting www.rotarygbi.org. In case of difficulty, contact the Rotary Youth Competition Co-Ordinator, **Michael Duke** young-photographer@rotarygbi.org for assistance.

Privacy Notice – Youth Competitions

[For the purpose of this privacy notice, Rotary International in Great Britain & Ireland (RIBI) also includes Rotary clubs and districts and their members. The use of the term 'you', 'your' also means that of your child where the competition Entrant is a minor, i.e. under the age of 18 years].

Members of Rotary International in Great Britain and Ireland ("we") value the trust you put in us to process your personal information and will always be open and honest about the information we collect and how we will use it. We will never do anything with your personal information that you wouldn't reasonably expect us to in relation to the Youth Competitions and we will always take every effort to protect your privacy.

The RIBI Privacy Notice is available on our website, www.rotarygbi.org, and explains how we collect, process and share personal information. This 'Privacy Notice – Youth Competitions' is supplementary to the general RIBI Privacy Notice and explains in more detail how you can expect your personal information to be specifically used in relation to the Youth Competition events.

How we use your personal information for Youth Competitions

1. We are collecting your personal information (and that of your child if a minor) for the organisation and administration of the youth competitions only, it will not be used for any other purpose.
2. Club, District or Rotary Public Relations Officers may use your personal information to make contact with you to discuss public relation opportunities and will gain your specific consent at that time for the use of your information, such as photographs/interviews for newspaper articles, club or district websites etc. Where the entrant is a minor only the parent/guardian will be contacted.

Providing your personal information to others for Youth Competitions

3. The personal information will only be shared with others that require it for their role/the services they provide for the organisation and administration of the youth competition events. Initially, this will be at club level competitions but should an entrant progress to district or national levels of the competition, the information will also be shared with those relevant organisers.
4. Depending on the Youth Competition, it may be necessary to share some of your information with third parties such as providers of venue hire and catering services. Under such circumstances only the minimum amount of information for the third-party service will be provided, i.e. for caterers, only the name and allergy/special dietary requirement will be disclosed, no other information.
5. Those individuals and organisations that have access to the personal information are also bound by the RIBI Privacy Notice.

Retaining and deleting your personal information

6. All reasonable steps will be taken by those concerned to ensure the personal information they have access to is kept securely and will not be shared with anyone who does not have a legitimate reason to have access to it in relation to the organisation and administration of the competitions.
7. For all youth competitions, personal information will be kept on file for 3 months after the date of the National Final for that specific competition. After this date, the information will be securely destroyed (either by shredding, incineration or deletion from electronic devices) at club, district and national level. This timeframe is necessary to allow for any disputes to be settled before the personal information is destroyed.

By signing the front of this form, you are acknowledging that you have read and agree to the Privacy Notices in respect of the use of personal information for yourself (and your child, where applicable).
