

Hello Everyone,

It's Spring time! The sun is shining today and all the grownups from Apple and Cherry class thought you may like to see the Spring photos we have taken in our gardens, in our homes or when we have been on our walks.

What can you see? We would love to see some of signs of Spring that you have notices. You could...

- Take a photo and write a sentence about the photo.
- Draw or paint a picture and label it.
- Make a model and label it.
- Make some Easter things to eat.

You could get your grown up to put them onto the ILD so we can see them. We look forward to seeing what you have been up to on the ILD.

Love from all the Reception Team
