It is designed to be lots of fun! Do

TERM 1 HOMEWORK

DUE: MONDAY 21ST OCTOBER

New homework pledge

At Red Oaks we know getting the balance between work/school and home life can be challenging.

With this in mind we have developed a new homework pledge.

Please follow this link for details

Term 1 whole school homework challenge. This term's homework has been set by the STEM team. How can you ensure you win? Measuring, planning and prototypes.

The theme is travel

Using paper only, can you create one of the following:
A boat that will float across a tray of water. You can propel your vessel by blowing only.
Or
An aeroplane that will fly as far as possible.

Your entries are due in school on Monday 21st October and on this day there will be in class heats. The winners of each class will compete in an assembly that week. Certificates will be awarded for the class winners and there will be a prize for the whole school champion, for the most successful boat and aeroplane.

If you require any paper please ask your class teacher

Important Things

Phonics and spelling homework will be posted weekly on class Dojo and class news on the website. These words will be tested weekly (your class teachers will let you know test days).

Weekly maths homework will be set - this will be focused around number and multiplication and division. Additional, class teachers will post 'How to' videos for new maths units for you to practice at home.

Lastly, all children are expected to read for pleasure daily. This can be shared reading or independent but listening and asking questions is paramount to creating reading confidence. Guidance for questions will be posted on Dojo and class news on the website.

Dates for the diary: (subject to some possible change!)

Term 1:

- W/B Monday 23rd September - Red Oaks Week
