**Did they ever
get lost?**

A satellite view of Earth showing the Americas, with the text "What country is the furthest away?" overlaid in orange.

**What country
is the furthest
away?**

**What have
explorers
found?**

**What do they
do in other
countries?**

A blue-tinted landscape photograph of a mountain valley. In the foreground, a large, flat rock sits on a riverbank. The river flows through the center of the valley, reflecting the surrounding mountains. The mountains are rugged and covered in snow or ice. The sky is overcast and blue. The text "Where is the coldest place?" is overlaid in a large, bold, orange font across the middle of the image.

**Where is the
coldest place?**
