

Judaism 04.10.11

Mrs Jensen led an assembly about Judaism for the whole school.

This is what we found out:

'The first day of the Jewish new year was 28th September 2011.'

Year 3

'Jewish people eat apples and honey on New Year's Eve. This represents the sweetness of the New Year'

Year 5

'Jewish New Year celebrations last for 2 days'

Year 3

'Jewish legend has it that a pomegranate has 613 seeds. These are eaten during new year celebrations to represent the 613 good things that Jewish people should do in the year.'

Year 6

'Jewish people have special plates for their celebration meal called seder plates.'

Year 2
