

Drove Saturday Morning Language School

Drove Saturday Morning Language School

We provide extra support for EAL pupils, help improve literacy and numeracy skills and encourage interaction between different cultures.

The experienced staff give children the chance to practice their literacy and numeracy skills through interesting and motivating activities. The lessons can really make a difference to your child's success in school.

Bring your child (**Reception – Year 6**) to learn in a fun and friendly environment at **Drove Primary School from 9 a.m. to 12 noon.**

If your child would benefit from additional lessons run by teachers who speak their home language and you would like to get more information about Saturday Morning Language School, contact **Sandra Gonsalves (see opposite)** or visit our website.

I feel very comfortable coming to Saturday School. I learn English, maths through fun activities'
Ruelle, Year 6
